Resources

Standards Implementation

Information on standards and standards implementation can be downloaded at http://www.isbe.net/common_core/default.htm. The links on the right side of the page provide access to the overview, CCSS for ELA and Math, FAQs, and a "Back to School for Educators" link that will eventually lead to a PowerPoint (http://www.isbe.net/common_core/ppt/backtoschool.ppt) that can be used in conjunction with the overview.
