

eGMS ELL Consolidated Application – Part 2

For districts with English Language Learners (ELLs) that will seek funding.

Part 2 of the FY11 Consolidated English Language Learning Programs Application for state TBE/TPI and federal Title III (LIPLEPS and IEP) funding is now online via eGMS on IWAS. For districts that will be applying, the person completing the application will need to seek authorization to add “ELL TBE/TPI and Title III” as a new System Listing.

The FY11 eGMS Consolidated English Language Learning Application is divided into two (2) submissions, Part 1 The ELL Enrollment Summary and Ceiling Calculator which was submitted by districts in March and Part 2- The ELL Program Service Plan and Budgets which is due by midnight June 30, 2010.

PLEASE NOTE:

1. Only districts that have completed Part 1 and that have approved ceiling calculators will be eligible to apply for FY11 funding by submitting Part 2. The Excel-based consolidated application forms used in previous years will no longer be available.
2. Be sure to open each attendance center to complete the staffing information. **DO NOT** attempt to enter staffing information all on one page/or attendance center. Each attendance center has limited lines and for review purposes, each center has its own assigned teachers and teacher aides (see screen shot below).
3. If you see an allotment of “\$0” in LIPLEPs or IEP, please check the amounts you are eligible for posted under “Hot Topics” at <http://www.isbe.net/bilingual/default.htm>. Districts on the LIPLEPS list can only apply through a cooperative. Once formed and agreed to, cooperative members must remain in the cooperative for the entire Fiscal Year 2011.
4. When the application is approved, or if it is returned for changes, notification goes only to the superintendent.

For questions regarding the information in the application, please contact DELL at (312) 814-3850. For technical issues with the system or computer, please call the Helpdesk at (217) 558-3600.
