RE: School Construction Project Grant Entitlement/Entitlement Approved

Dear Mr. Smith:

Illinois State Board of Education staff members have reviewed the Application for Construction Grant Entitlement and the District Facilities Plan submitted by Best Community High School District 100 as part of the FY2001 application process. Additionally, State Board staff members conducted an on-site verification visit.

As a result of the review, the Illinois State Board of Education hereby issuing the enclosed School Construction Project Grant Entitlement. We have also enclosed the Capital Development Board Application Worksheet for your reference. The Capital Development Board will contact you to schedule a survey of the construction project as described in the Program Statement that was included in your application. Following the survey, you will receive information from the Capital Development Board regarding your district's recognized project cost.

It is our intent to complete the necessary priority ranking of FY2001 projects in June. We will notify you of your district's ranking at that time.

Thank you for your application. If you have any questions, please contact Nona Myers, Division Administrator of the School Construction and Facility Services Division, at 217/785-8779.

Sincerely,

Glenn W. McGee
State Superintendent
of Education
