Liz Sylvia

Dear Ms. Sylvia:

This letter is in response to your request for information under the Illinois Freedom of Information Act. Your request was received on April 19, 2013.

You have requested information regarding the number of students with IEPs who also receive ELL services for Niles Township High School District 219.

A total of 27 students from Niles Township High School District 219 receive special education and ELL services. Of those, 19 students have the primary disability category of Specific Learning Disability. Please note that the number of students in other disability categories cannot be disclosed because the number is less than 10. Pursuant to 5 ILCS 140/7 (1) (a), student group sizes of than 10 are withheld as small group sizes could reveal student identities, even in the absence of disclosing student names.

If you have questions, please contact Amanda Simhauser at (217) 782-4648 or asimhaus@isbe.net.

Sincerely,

Matt Vanover
Director of Public Information
