Dec. 10, 2012

Dear Mr. and Mrs. [Name]

This letter is in response to your recent request for information under the Illinois Freedom of Information Act. Your request was received on Dec. 3, 2012.

You have requested all documentation between the Illinois State Board of Education and District 148 in reference to your Aug. 10, 2012 complaint and a definition of the term “redacted” that our agency used in our Nov. 1, 2012 letter to you in response to a previous FOIA request.

Our agency has no additional documents responsive to your request other than the documents that were previously provided to you on Nov. 1.

In the context of our response letter, “redacted” means removing information that could reveal your student’s identity. Since you are the parents, information regarding your child’s identity and personal information was left unedited in the documents we provided to you.

If you have any questions, please contact Amanda Simhauser at (217) 782-4648 or asimhaus@isbe.net.

Sincerely,

Matt Vanover
Director of Public Information
