Dear Dr. Kugler:

This letter is in response to your request for information under the Illinois Freedom of Information Act. Your request was received on Jan. 7, 2013.

You have requested a list or records identifying all ISBE certifications and Teacher Evaluator Designations for numerous principals in the Chicago Public Schools.

The certification and designation information you seek is available through the Educator Certification System public portal available at http://www.isbe.net/ECS/default.htm.

Note the “Public Search” box on the right side of the page. Select “Click Here.” Beneath item 1, select the “Educator’s Name” button and type in a name. Click “Search.” To access data, click on the person’s name. Select “Current Credentials” to access the desired data. Designations are listed at the bottom of the page.

Please note that it can take up to one week for an individual’s evaluator designation to appear in the ECS after he or she has undergone training.

If you have questions, please contact Amanda Simhauser at (217) 782-4648 or asimhaus@isbe.net.

Sincerely,

Matt Vanover
Director of Public Information
