Dear Ms. Tinley:

This letter is in response to your recent request for information under the Freedom of Information Act. Your request was received on Jan. 18, 2013.

You have requested the following information on the Archdiocese of Chicago as a school food authority: “copy of the Archdiocese of Chicago's most recent "Food Service Management Company/Vendor Invitation for Bid and Contract Submission Form" on file; copy of the "Post-Contract Award Summary Sheet" for the Archdiocese's current food service contract; copy of the signed "Bid Summary" form for the Archdiocese's current contract; the name of the Archdiocese of Chicago's food service provider; the type of contract between the Archdiocese and its food service provider; the duration of the contract between the Archdiocese and its food service provider and if the Archdiocese of Chicago uses the same food service provider as School District 299 - City of Chicago, please indicate that in your response.”

Our agency has no documents responsive to your request as the Archdiocese of Chicago provides its own meal service and therefore does not have a food service contract.

If you have questions, please contact Amanda Simhauser at (217) 782-4648 or asimhaus@isbe.net.

Sincerely,

Matt Vanover
Director of Public Information
