To Matt Vanover, Board of Education FOIA Officer:

This is a request under the U.S. Freedom of Information Act and the Illinois Freedom of Information Act.

I am requesting copies of documents sufficient to show how many employees (or computer “users”) accessed each of the following websites from January 1, 2012 until present day: Facebook, YouTube, and Twitter.

I am also requesting copies of documents sufficient to show how long these employees/users spent on each of those three websites during the same time period.

If possible, please send a copy of the records to me electronically via my email address at allison.reid@nbculi.com. Because these records are in the public interest, I ask that you waive any reproduction fee.

If you deny this request, please tell me on what grounds, and to whom I should appeal. Furthermore, if you have any questions concerning this request, please don’t hesitate to contact me. Thank you so much for your time and consideration in this matter.

Sincerely,

Allison Reid
