Hello,

I am seeking some information under the Freedom of Information Act. I am looking for information on the Transportation Reimbursement paperwork for the Oswego 308 School District.

I believe the form that I am looking for is a “Serious Safety Hazard Finding” or maybe “Oper 1945”.

It is in regards to “Section 29-3 of the School Code (105 ILCS 5/29-3) allows local school districts to receive reimbursement from the State Superintendent of Education for the busing of pupils for distances of less than 1 1/2 miles when conditions are such that walking, either to or from the school to which a pupil is assigned for attendance or to or from a pick-up point or bus stop, constitutes a serious hazard to the safety of the pupil due to vehicular traffic or rail crossings.”

Is it possible to receive any paperwork that was filed for the Oswego 308 School district over the past 7 years?

Please let me know if you need any additional information.

Thank you,

Melissa Roberts
