Rec’d 3/6/2013

Dear Ms. Simhauser,

Under the Freedom of Information Act, I would like to secure the following from isbe:

Number of Illinois students served under Section 14-7.02 at each Illinois approved nonpublic special education program. Educational services only (I don't need residential and I don't need out of state numbers). This can be for 11-12 or preliminary 12-13 numbers.

Thank you again.
