Steve Nunez
Sauk Valley Community College

Dear Mr. Nunez:

This letter is in response to your recent request for information under the Illinois Freedom of Information Act. Your request was received on June 3, 2013.

You have requested records that indicate the number of students who have autism/Asperger’s (AS), are Intellectually Disabled (ID) or are Learning Disabled (LD) as their primary disability found in certain schools.

Please note that our agency reports this information at the school district-level. The attached spreadsheet (13-362-nunez-doc.xlsx) provides the data our agency possesses for the school districts in which the requested schools reside. The spreadsheet provides the reportable approximate figures for high school and middle school students total for the three listed disability categories.

Pursuant to 5 ILCS 140/7 (1) (a), cell sizes less than 10 have been redacted. Even in the absence of disclosing student names, small group sizes could reveal student identities.

If you have any questions, please contact Amanda Simhauser at (217) 782-4648 or asimhaus@isbe.net.

Sincerely,

Matt Vanover
Director of Public Information
