Scott Drury
Illinois State Representative

Dear Representative Drury:

This letter is in response to your request for additional information under the Illinois Freedom of Information Act. Your original request was received on April 17, 2014.

You originally requested "all emails and other correspondence relating in any manner to House Bill 4558 in the 98th General Assembly; including but not limited to, attachments to any emails and correspondence, internal emails and correspondence, and emails and correspondence between ISBE and third parties."

Multiple responsive documents were provided to you on May 2, 2014.

On May 5, 2014, you requested additional records in regards to the following: "Several emails reference, Amanda Elliott compiling a group email based on individual emails received from various third-parties. I do not see the individual emails included in the documents provided. The references are found in the documents ending in the numbers 35, 36 and 37. Additionally, I did not receive documents 14 and 93."

The "individual emails received from various third parties" you are referring to were withheld as preliminary drafts pursuant to 5 ILCS (1) (f).

In regards to documents 14 and 93, they were not responsive to your request; therefore, they were not included.
