Requirements for this endorsement include a three-semester hour course in methods of teaching mathematics in the middle grades and 15 semester hours selected from four of the topics below:

a. Math content courses for elementary teachers  
b. Calculus  
c. Modern algebra or number theory  
d. Geometry  
e. Computer science  
f. Probability and statistics  
g. History of mathematics

Requirements for Middle School Reading Teacher Endorsement

The Reading Teacher endorsement is the minimum requirement for anyone assigned to teach reading who is not teaching reading as part of general classroom instruction. Teachers who have the endorsement by June 30, 2006, or meet the endorsement requirements in place through June 30, 2006, are also qualified to provide technical assistance to other teachers and to provide professional development to teachers.

Applicants must complete one of the following:

1. Complete an approved reading teacher program which includes at least 24 semester hours of coursework and a practicum, complete the Reading Teacher or Reading Specialist test, and be recommended for the endorsement by the institution.
2. Complete 24 semester hours of credit in reading, have coursework in each of the following areas, and pass the Reading Teacher or Reading Specialist test.
   b. Content-area reading.  
   c. Assessment and diagnosis of reading problems.  
   d. Developmental and remedial reading instruction and support.  
   e. Developmental and remedial materials and resources.  
   f. Literature appropriate to students in all grade levels.  
   g. Practicum in reading.

Applicants who apply for the reading teacher endorsement by using option 2 should submit ISBE Form 73-52 through their Regional Office of Education or apply online through ELIS.

Requirements for Middle School Safety and Driver Education

Beginning with applications received on or after February 1, 2012, an endorsement in safety and driver education shall be issued when the applicant provides evidence of having completed 24 semester hours of college credit in the field, with at least 12 semester hours at the upper-division or graduate level, as defined by the institution offering the coursework, distributed as follows:

Illinois State Board of Education, Educator Licensure Division, August 2012 (Rev. 1/14)
1) 3 semester hours in injury prevention or safety

2) 12 semester hours in driver education that include:
   a. driving task analysis (introduction to driver education)
   b. teaching driver education in the classroom
   c. teaching the laboratory portion of the driver education course, including:
      i) on-street teaching under the supervision of a qualified driver education teacher
      ii) the equivalent of at least one semester hour’s preparation in and use of driving simulation
      iii) the equivalent of at least one semester hour’s preparation in and use of multiple-car programs
   d. advanced driver education and emergency evasive driving

3) 3 semester hours in first aid and cardiopulmonary resuscitation

4) 6 semester hours chosen in any combination from:
   a. the use of technology in instruction
   b. safety issues related to alcohol and other drugs
   c. driver education for students with disabilities
   d. any other safety-related area

**Additional Requirements for Science**
