Section 210.10 Purpose

This Subpart A establishes the requirements for approval of Illinois Hope and Opportunity Pathways through Education (IHOPE) programs established pursuant to Section 2-3.66b of the School Code [105 ILCS 5/2-3.66b] by regional offices of education or the City of Chicago School District 299 (CPS).

a) IHOPE programs shall re-enroll high school dropouts in their respective regions of the State and provide instructional and other services to enable dropouts to meet the prerequisites to receiving a high school diploma specified in Section 27-22 of the School Code and any other graduation requirements of the student’s district of residence. [105 ILCS 5/2-3.66b(b)] For the purposes of this Part, “any other graduation requirements” means those that the district of residence has established for all students enrolled in the district’s general program of instruction.

b) A regional office of education or CPS may establish an IHOPE program or may contract with one or more entities specified in Section 2-3.66b(d) of the School Code to operate those programs.

c) A regional office or CPS may provide instructional services through a subcontractor only if the entity providing those instructional services is recognized by the State Board of Education. (See Section 210.40(a)(2) of this Part.)
Section 210.20 Program Components

An IHOPE program approved under this Part shall contain each of the components enumerated under Section 2-3.66b(g) of the School Code. As set forth in Section 2-3.66b(b) of the School Code, instructional and other services may be offered in one or more of the following ways:

a) comprehensive year-round programming;

b) summer or evening school programs;

c) community college coursework offered through dual enrollment programs (i.e., a student attends both high school and college classes), or dual credit courses, as defined in Section 5 of the Dual Credit Quality Act [110 ILCS 27/5];

d) adult education programs;

e) vocational training and work experience;

f) programs to enhance self-concept; and/or

g) parenting classes.
Section 210.30 Requirements for Student Participation

Any individual subject to compulsory attendance requirements set forth in Article 26 of the School Code [105 ILCS 5/Art. 26] may be considered for enrollment in an IHOPE program, provided that he or she is considered to be a “dropout” for reporting purposes under Section 2-3.13a of the School Code [105 ILCS 5/2-3.13a].

a) Each regional office of education or CPS, as applicable, that establishes an IHOPE program shall provide information about the program to the parents or guardians of all dropouts who are less than 18 years old who are being considered for enrollment and shall identify a staff member who may be contacted for information or assistance.

1) Before a dropout as defined in subsection (a) of this Section is enrolled in an IHOPE program, the program shall send a written notification to the student and the student’s parent or guardian to attend a conference about the program. This notification also shall contain a statement of the rights of the parent or guardian (e.g., requirement for written parental permission to enroll in the program, ability to withdraw consent for enrollment, participation in development of an individual instructional plan).

2) The conference shall be designed to help the parent or guardian determine whether the student’s participation in an IHOPE program would be beneficial.

3) A dropout as defined in subsection (a) of this Section shall not be enrolled in an IHOPE program without the written consent of his or her parent or guardian. This provision does not apply to youth who are considered to be an “unaccompanied youth” under Section 725 of federal McKinney-Vento Homeless Education Assistance Improvements Act of 2001 (42 USC 11431 et seq.).

b) Before enrolling a dropout who is 18 years or older or an unaccompanied youth, the IHOPE program shall conduct the conference described in subsection (a) of this Section with the dropout.

c) An approved IHOPE program shall enroll only dropouts who reside in their region or district (see Section 2-3.66b(b) of the School Code), and no tuition may be charged of students who choose to participate.
d) Enrollment, in an IHOPE program of a dropout who, when enrolled in his or her previous school had an Individualized Education Program, shall be subject to the additional requirements set forth in Section 210.35 of this Part.

e) Receipt of a high school diploma under the IHOPE program is not subject to the state assessment requirements contained in Section 2-3.64 of the School Code [105 ILCS 5/2-3.64].

f) All rights granted under this Part to the student’s parent or guardian shall become those of the student once the student reaches 18 years of age, subject to the provisions of the Emancipation of Minors Act [750 ILCS 30].

g) For each dropout enrolled, an IHOPE program shall request from the school that the student last attended a certified copy of the student’s records, in accordance with 23 Ill. Adm. Code 375.75 (Public and Nonpublic Schools: Transmission of Records for Transfer Students).
Section 210.35 Enrollment of Students with Individualized Education Programs

a) A dropout who, in his or her previous school, had an Individualized Education Program (IEP) is eligible to enroll in an IHOPE program if he or she meets the eligibility requirements for the program, subject to the requirements of this Section.

1) The IHOPE program shall work in cooperation with the school district at which the student was last enrolled to ensure that the student receives the special education and related services necessary for the student to achieve academically and meet the requirements for receipt of a high school diploma.

2) All services identified as necessary pursuant to subsection (a)(1) of this Section shall be delivered by properly qualified personnel.

3) If a student enrolled in an IHOPE program is referred for an evaluation to determine whether he or she is eligible for special education, then the evaluation and eligibility determination shall be conducted in accordance with the State Board’s rules for Special Education (see 23 Ill. Adm. Code 226.Subpart B (Identification of Eligible Children)).

b) In cooperation with the school district from which the student will earn a high school diploma, the regional office of education establishing the IHOPE program, or CPS, as applicable shall develop an up-to-date IEP for each student who previously had an IEP and continues to qualify for services in accordance with 23 Ill. Adm. Code 226. The responsibilities of the regional office of education and the school district shall be specified in the cooperative agreement executed pursuant to Section 210.70(c)(8) of this Part.
Section 210.40 Program Requirements

   1) In consultation with the student's school district of residence, the IHOPE program must award academic credit in accordance with that district's policy developed pursuant to 23 Ill. Adm. Code 1.420(b).

   2) If the instructional program is provided by a non-profit entity, then that entity shall be recognized by the State Board of Education. A recognized entity is one that:

c) An individual instructional plan shall be developed for each student enrolled in the IHOPE program in accordance with Section 210.50 of this Part.
d) Progress reports for students enrolled in the IHOPE program shall be provided at least in the same manner and with the same frequency as progress reports are sent to parents and guardians of students enrolled in the school district from which the student will receive his or her diploma. A student's parent or guardian may request a meeting anytime during the school year to review the student's progress, in accordance with procedures developed by the IHOPE program.

e) The IHOPE program shall employ staff who are appropriately qualified.

1) Teachers shall hold a valid and active Illinois professional educator license endorsed for elementary, secondary, special K-12 or special preschool-age 21 required for the grade levels to which they will be assigned, except that staff employed in dual credit programs must meet the requirements set forth in 110 ILCS 27/20.

A program may claim general State aid for up to 2 clock-hours of the time each day that a student is receiving supplementary services.

4) Each program shall provide no fewer than 176 days of actual pupil attendance during the school term.

b) The supplemental services provided pursuant to subsection (a) of this Section that are noninstructional in nature (e.g., student assistance programs, counseling services, case management, life skills or conflict resolution training, career counseling) shall be:

1) directly linked to a need identified in the student's individual instructional plan developed pursuant to Section 210.50 of this Part and necessary for the student to successfully advance in the instructional program and meet the requirements for receipt of a high school diploma set forth in Section 2-3.66b(b) of the School Code;
2) provided by qualified personnel with the experience and skills appropriate to the service being provided; and

3) monitored by IHOPE program staff to ensure that the services provided are effective in improving the student's academic achievement, as specified in his or her individual instructional plan.

c) Activities that are instructional in nature (e.g., work-based learning activities, service learning) shall not be considered supplemental services for the purposes of this Section. These shall be considered to be part of the 5 clock-hours of school work required under Section 18-8.05 of the School Code, provided that:

1) the activity is an integral and regular part of the academic instruction that the student is receiving and is tied to one or more of the State Goals for Learning (23 Ill. Adm. Code 1.Appendix D);

2) the student receives academic credit upon successful completion of the activity, in accordance with the policies of the student's district of residence that will be issuing the high school diploma; and

3) the activity is provided under the direction of a teacher who holds the type of educator license appropriate to his or her assignment (see Section 210.40(e) of this Part).

3) The regional office of education or CPS, as applicable, shall provide a copy of the deficiencies and of the approved plan to any entity with which it has entered into a cooperative agreement, intergovernmental agreement, contract or subcontract in order to operate the program or to provide services for students enrolled, as well as to any school district with which it has agreements to issue high school diplomas.

4) If the regional office of education or CPS, as applicable, provides evidence that it has corrected the deficiencies within the timeframe specified in the plan approved pursuant to subsection (b)(2) of this Section, then no change in the program's approved status shall be made.

c) If the regional office of education or CPS, as applicable, is unable to correct all of the deficiencies within the timeframe specified in its plan, even after the provision of technical assistance by State Board of Education staff, then it may submit to the State Superintendent an amended plan.

1) The amended plan shall be submitted no later than 30 calendar days prior to the time the affected deficiencies were to be corrected.

2) The amended plan shall identify the deficiencies that are still unresolved, specifying the reasons for the delay and describing the steps to be taken to remedy the problems and the timeline for completing each. In no case shall the time needed to correct the remaining deficiencies exceed 30 additional calendar days.

3) The State Superintendent of Education will accept the amended plan, provided the remaining deficiencies can be corrected within 30 calendar days and that none of the deficiencies:
A) presents an immediate health hazard or danger to students and staff;

B) severely affects the program's ability to provide a program appropriate to the needs of the students enrolled (i.e., addresses the State Goals for Learning, employs licensed staff, provides the services identified as necessary to assist students to earn a high school diploma); and

C) represents prolonged or repeated problems to a degree that indicates the program's intention not to correct the deficiencies.

d) If the regional office of education or CPS, as applicable, fails to demonstrate that all of the deficiencies have been corrected within the timeframe specified in the amended plan, or fails to submit an amended plan that meets the requirements of subsection (c) of this Section, then approval to operate the program shall be suspended upon written notification from the State Superintendent of Education.

1) The program may serve the students enrolled in the program during the time of its suspension, provided it continues to make progress as specified in its plan and no additional students are enrolled in the program.

2) The regional office of education or CPS, as applicable, shall provide a copy of the notice of suspension to any entity with which it has entered into a cooperative agreement, intergovernmental agreement, contract or subcontract in order to operate the program or to provide services for students enrolled, as well as to any school district with which it has agreements to issue high school diplomas.

3) If the regional office of education or CPS, as applicable, fails to correct all remaining deficiencies within 30 calendar days after receiving the notice of suspension, then approval to operate the program shall be revoked.

e) Notification to revoke program approval shall be sent by certified mail, return receipt requested to the regional office of education that established the program or to CPS, as applicable. A regional office of education or CPS, as applicable, shall have 10 calendar days after receipt of the notice of revocation to submit a written request for a hearing pursuant to the Illinois Administrative Procedure Act [5 ILCS 100] and the State Board of Education's rules for Contested Cases and Other Formal Hearings (23 Ill. Adm. Code 475). The receipt of notification shall be determined by the date of receipt shown on the return receipt form.

f) Once approval for a program has been revoked:
1) a regional office of education or CPS, as applicable, shall be ineligible to file any claim upon the Common School Fund with regard to the program;

2) the State Superintendent of Education shall recover grant funds from a regional office of education or CPS, as applicable, in accordance with the provisions of the Illinois Grant Funds Recovery Act [30 ILCS 705]; and

3) all students (and their parents or guardians, as applicable) enrolled in the program shall be informed in writing of the revocation no later than 10 school days following receipt of the notification that approval has been revoked.
