## HD Supply and U.S. Communities Make Public Procurement Easy!

HD Supply Facilities Maintenance is dedicated to helping public agency maintenance professionals get the job done. We have partnered with U.S. Communities<sup>™</sup> to provide you access to thousands of quality maintenance and repair products at competitive prices.

### What Is U.S. Communities?

- ★ It's a nationwide government purchasing cooperative with more than 44,000 participants

### How You Can Benefit

- ★ Competitively solicited contract that provides access to quality products and services at reduced costs

### Product

When you purchase from us, you can shop with confidence knowing you meet government procurement policies.

#### Maintenance and Repair Items

- ★ More than 22,000 products across 16 product categories

#### Environmentally Preferable Products

- ★ ideallygreen<sup>SM</sup> products to help you meet sustainability goals

#### ADA-Compliant Products

- ★ A variety of compliant supplies to meet Americans with Disabilities Act (ADA) regulations

#### Made in USA Items

- ★ Thousands of quality products made in the USA

### Services

Everything you have come to depend on us for as a supply partner, you can expect from us as a service partner. Our service offering includes:

- ★ **Installation Services:** Full turnkey solutions for upgrades and renovations
- ★ **Fabrication Services:** Quality, custom products that are made to your specifications
- ★ **Renovation/Project Management:** Resources to help with product specification and acquisition, project organization, inventory management, and budget control

### Fulfillment

Our coast-to-coast distribution network ensures on-time delivery.

- ★ Free, Next-Day Delivery<sup>†</sup>
- ★ Free freight in the continental U.S. including those items marked for freight in our catalog
- ★ 36 distribution centers nationwide
- ★ Dedicated fleet of 600 delivery trucks

<sup>†</sup>On most orders to most areas

HD Supply's commitment to government procurement and maintenance professionals goes beyond the quality products and services we provide. We have a dedicated government team that specializes in your industry and is here to support you.

## Government Support Team

### Government Sales Team

- ★ Years of experience working with government procurement professionals
- ★ Industry specialists that can provide solutions to maintain your facilities

### Government Contact Center

- ★ Dedicated to our government customers
- ★ Well-versed in your unique procurement needs
- ★ Staffed with experts who can help you streamline product and service acquisition

### Government Bids Team

- ★ Helping you meet procurement needs through competitive bids
- ★ Quality products and services at competitive prices

## eProcurement Solutions

We can meet your business needs with a variety of customized electronic solutions.

- ★ **Punch-Out Services:** We can accommodate your punch-out needs and manage your catalog data for you.
- ★ **Electronic Catalogs:** Import our electronic catalog with your specific parts and pricing directly into your system.
- ★ **Workflow Services:** We can support your online approval and authorization processes.
- ★ **Procurement Support & Integrations:** We can integrate with virtually any e-commerce software and will customize your solution to meet your purchasing needs.

## Commitment to Your Industry

### Community Support and Involvement

HD Supply is proud to make a difference. We give back to the community and the industry through:

- ★ Donations and devoting time to charities and community events
- ★ Relationships with diverse suppliers that provide value-added products

### Associations and Trade Shows

Being involved with associations and trade shows allows us to stay focused on what matters most to our government customers.

Our U.S. Communities Maintenance, Repair, and Operations (MRO) contract #11019 provides public agencies access to thousands of products at reduced prices. Benefits of our contract include:

- ★ All items are discounted off the lowest catalog price
- ★ Free freight in the continental U.S. including those items marked for freight in our catalog
- ★ Meet competitive purchasing requirements
- ★ Minimize administrative processes
- ★ MRO-related services are competitively solicited
- ★ Save time and money
- ★ Free participation
- ★ No minimum spending requirements
