

DON'T TAKE OUR WORD FOR IT!

"U.S. Communities' contract with Fisher Science Education has not only produced 'Best Value' savings in price and service, but has allowed significant 'Soft Costs' savings."

— *Dave Fajer, Director of Procurement and Distribution, Portland Public Schools*

"In a span of seven months since we adopted the U.S. Communities contract with Fisher Science Education, it is safe to say that our financial benefits conservatively exceeded \$50,000."

— *Jean Bowman, Director of Purchasing, Hillsborough County Public Schools*

"I am very satisfied with my experience with Fisher Science Education. Their customer service is phenomenal. They are very eager to help us streamline and make things easier for our teachers."

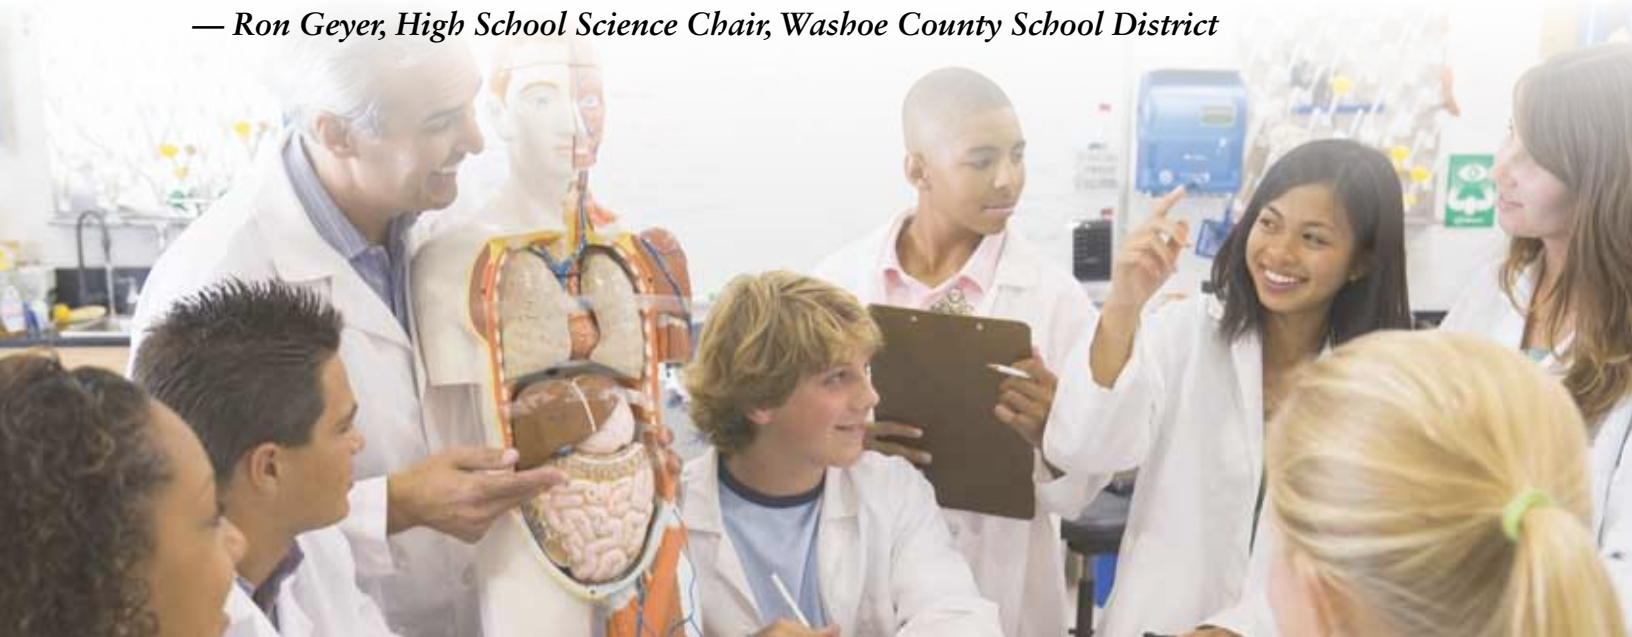

— *Ann Wallenmeyer, District Science Coordinator, Springfield Public Schools R-12*

"I have always found Fisher Science Education to be dependable and helpful. Teachers have been very positive in their feedback on the use of the online ordering system."

— *Claudia Wortman, Science Supervisor, St. Mary's County Public Schools*

"With the budget cuts we are seeing, Fisher Science Education's U.S. Communities Contract will be vital. The 31% discount and free shipping is a tremendous help—especially when we are receiving high-quality materials. The combination of discounts, quality materials and great customer service makes this an outstanding way of stretching a budget."

— *Ron Geyer, High School Science Chair, Washoe County School District*
