Pembroke CCSD 259	2011	1.4	0.7	0.2	0.4	0.4	3.1	Review	The district's status went from Financial Recognition to Financial Watch after Hold Harmless Dollars for Rural School Districts were partially eliminated from the State's budget mid 2009 and totally eliminated in 2010 after the budget had been set. After being cut by \$350,000 midyear, the district, which had previously received approximately \$2 million in Hold Harmless funds was projected to receive \$750,000 in FY 2010. However, in January of 2010 the district was notified by the state that those funds were being eliminated that fiscal year and no payments would be made. Hold Harmless for Rural School Districts was eliminated completely from the state's budget in FY2011, leaving the Pembroke CCSD 259 with a \$1.2 million deficit by FY2011.

Peru ESD 124	2011	1.4	1.05	0.4	0.4	0.1	3.35	Review	Two areas of the Financial Profile have dropped the district to review status. The first is the expenditure to revenue ratio, which has resulted from a decrease in local property tax revenues as well as late payments from the state. The second area is the percent of long term debt remaining, which results from the recent issuance of \$19.5 million in bonds for the construction of Parkside School.
