After being cut by \$350,000 midyear, the district, which had previously received approximately \$2 million in Hold Harmless funds was projected to receive \$750,000 in FY 2010. However, in January of 2010 the district was notified by the state that those funds were being eliminated that fiscal year and no payments would be made. Hold Harmless for Rural School Districts was eliminated completely from the state's budget in FY2011, leaving the Pembroke CCSD 259 with a \$1.2 million deficit by FY2011.
