ACTION PLAN**

NAME OF APPLICANT

**INSTRUCTIONS:** Complete this form to delineate the key tasks and project actions that will be implemented in addressing each objective. Do not type beyond the space provided on each page. Use additional pages if necessary.

**Goal:** Scale up implementation of a coordinated, statewide system of personnel development that will increase the capacity of school systems to establish and use a multi-tiered model of scientific, research-based instruction, intervention, and assessment to improve the progress and performance of all students, including those with disabilities.

**Objective 3:** Increase the number of IHE undergraduate and graduate educator preparation programs that implement Rd content in their curricula.

Key Tasks	Detailed Project Actions and Associated Timelines	Population Served	Method of Evaluation	Expected Outcomes/Impact of Action Plan
	List the specific activities, <u>with timelines and persons responsible</u> , to be completed in each project year to meet/support the accomplishment of the key tasks, including specific collaborative actions with partners.	Where applicable, list specific groups, e.g., administrators, general and special education teachers, parents, who will be served under each key task and/or activity during each project year.	Document the methods to be used to evaluate the key tasks and activities (i.e., What criteria will be used to determine success?). This should include ways in which outcomes and impact will be monitored.	Document specific, measurable <u>outcomes</u> that will be achieved for each key task during each project year. Also, identify the expected <u>impact</u> of the achievement of the key tasks on the project participants. The impact should ultimately result in meaningful outcomes for students with and without disabilities as a result of project activities. A key impact to be addressed in this section is the <u>sustainability</u> of project activities after grant funding ends.

PROGRAM-SPECIFIC TERMS OF THE GRANT**

1. No subcontracting is allowed without prior written approval of the State Superintendent of Education. See item 7 of the document titled "Certifications and Assurances and Standard Terms of the Grant" for the type of information that must be submitted with the proposal about any proposed subcontracts to be funded with the grant.
2. Carryover Funds: If final expenditures are less than total disbursements at the end of a grant period, the overpayment may be applied as a prepayment in the next grant period. In such instances, payments during the subsequent grant period will be reduced by an amount equal to the prepayment.
3. Reporting: Grant recipients will be required to submit up to four reports each grant year, with the fourth being a comprehensive end-of-year report. The report format and due dates will be provided by ISBE. A final cumulative report, based on the overall evaluation of project results, will be due no later than November 30, 2015. Grant recipients will also be responsible for submitting quarterly data reports to the statewide evaluator for project evaluation purposes.
4. Successful applicants will be subject to the provisions of Section 511 of P.L. 101-166 (the "Stevens Amendment") due to the use of federal funds for this program. All announcements and other materials publicizing this program must include statements as to the amount and proportion of federal funding involved.

“Award recipient” means the person, entity, or entities that are to receive or have received grant funds through an award from the Illinois State Board of Education. The terms “grantee” and “award recipient” may be used interchangeably.

“Expenditure through dates” are from the project beginning date through September 30, December 31, March 31, and June 30 of each fiscal year and the project ending date.

“Grant” means the award of funds, which are to be expended in accordance with the Grant Agreement for a particular project. The terms “grant,” “award,” and “project” may be used interchangeably.

“Project” means the activities to be performed for which grant funds are being sought by the applicant.

The capitalized word “Term” means the period of time from the project beginning date through the project ending date.

**PROJECT**

3. The project proposed in the application, and as negotiated and finalized by the parties in the Grant Agreement, is hereinafter referred to as the “project.” In planning the project there has been, and in establishing and carrying out the project, there will be (to the extent applicable to the project), participation of persons broadly representative of the cultural and educational resources of the area to be served, including persons representative of the interests of potential beneficiaries.
4. Applicants may be asked to clarify certain aspects of their proposals/applications prior to final agreement on the terms of the project.
5. All funds provided shall be used solely for the purposes stated in the approved proposal/application.
6. The project will be administered by or under the supervision of the applicant and in accordance with the laws and regulations applicable to the grant. The applicant will be responsible for and obtain all necessary permits, licenses, or consent forms as may be required to implement the project.

**SUBCONTRACTING**

7. No subcontracting is allowed under this project, except as set forth in the Grant Agreement.

If subcontracting is allowed, then all project responsibilities are to be retained by the applicant to ensure compliance with the terms and conditions of the grant. All subcontracting must be documented and must have the prior written approval of the State Superintendent of Education. Approval of subcontracts shall be subject to the same criteria as are applied to the original proposal/application. The following information is required if any subcontracting is to be utilized:

- Name(s) and address(es) of subcontractor(s);
- Need and purpose for subcontracting;
- Measurable and time-specific services to be provided;
- Association costs (i.e., amounts to be paid under subcontracts); and
- Projected number of participants to be served.

The applicant may not assign, convey or transfer its rights to the grant award without the prior written consent of the State Board of Education.

**FINANCIAL TERMS**

8. Payment under this grant is subject to passage of a sufficient appropriation by the Illinois General Assembly or sufficient appropriation by the U.S. Congress for federal programs. Obligations of the State Board of Education will cease immediately without further obligation should the agency fail to receive sufficient state, federal, or other funds for this program.
9. An applicant must not obligate funds prior to the start date of the project set forth in the final Grant Agreement. The project's start date cannot precede the start of the fiscal year for which the funds are appropriated.  
All project activities must be completed between the project beginning date and the ending date (the "Term"). Liquidation of all obligations, including the current year's audit fee, should be completed no later than ninety (90) calendar days after the project ending date.
10. The applicant understands that payment for approved services and expenses will be made on a cash needs basis, and that payment will be made in accordance with applicable statutes, regulations, and standards after an application for payment is submitted to the State Board of Education. Vouchers for payment will be submitted to the Office of the Comptroller according to the payment schedule attached to the final Grant Agreement. The payment schedule shall be based on the projected date of expenditures. Payments will be withheld from scheduled amounts if expenditure reports show excess cash on hand.
11. An approved budget may be amended by completing the Budget Summary form to show the new amounts required and attaching an explanation for the changes. An amendment to the Grant Agreement must be entered into whenever any individual cell changes by more than \$1,000 or 20 percent, whichever is larger. An amendment to the Grant Agreement must also be entered into whenever an award recipient proposes to use funds for allowable expenditures not identified in the currently approved budget, if the scope of the project is expected to change, or if the overall grant award must be increased.
12. Obligation of funds for items or services based on amendments cannot be encumbered prior to the date of receipt at ISBE of a substantially approvable budget amendment provided the scope/intent of the approved project has not changed. If the scope/intent of a project changes based on an amendment, programmatic approval must be obtained prior to the obligation of funds based on the amendment. ISBE shall be the final determiner of whether an amendment changes the scope/intent of a project. The begin date of the project cannot precede the beginning of the fiscal year for which the funds are appropriated. Requests for budget amendments must be received by the State Board of Education no later than thirty (30) calendar days prior to the project ending date for which the amendment is being sought.
13. Funds granted for the operation of this project must be used exclusively for the purposes stated in the approved proposal/application and must be expended in accordance with the approved budget and the award recipient's policies and procedures related to such expenditures. Funds may only be expended or obligated for activities occurring during the Term.
  - (a) State funded grants: All grant funds and earned interest shall be subject to the Illinois Grant Funds Recovery Act (30 ILCS 705). Interest earned on State funded grant programs and grant funds not expended or obligated by the end of the Term, as well as interest earned after the Term has expired, must be returned to the Illinois State Board of Education within forty-five (45) calendar days following the end of the Term.
  - (b) Federally funded grants: Interest earned in excess of \$100 per year must be returned to the Illinois State Board of Education, with checks payable to the Illinois State Board of Education.

For-Profit award recipients shall not utilize grant funds in any manner for normal operating expenses or to generate a profit. The applicant certifies that notwithstanding any other provision of the application, proposal, or Grant Agreement, grant funds shall not be used and will not be used to provide religious instruction, conduct worship services, or engage in any form of proselytization.

14. The applicant, in compliance with the provisions of 30 ILCS 105/9.07, will not expend any funds received from the Illinois General Revenue Fund for promotional items including calendars, pens, buttons, pins, magnets, and any other similar promotional items.
15. Financial Reports: Quarterly expenditure reports are required of all award recipients receiving funds, unless otherwise specified in the program specific terms or the request for proposals. Quarterly reports must describe the progress of the project or use and the expenditure of the grant funds. The expenditure through dates to be used in reporting expenditures and obligations are from the project beginning date through September 30, December 31, March 31, and June 30 of each fiscal year and the project ending date. Those entities with established IWAS accounts with the Illinois State Board of Education, must electronically submit expenditure reports by the required due dates specified within the Grant Agreement. Those entities not enrolled in IWAS, must request paper expenditure report forms not later than twenty (20) calendar days before the due dates specified within the Grant Agreement to the Illinois State Board of Education. Expenditure reports are due twenty (20) calendar days after the expenditure through date. Failure to file the required reports within the timelines will result in a breach of the Grant Agreement. Upon any such breach, the State Board of Education may, without limitation, withhold the current year's payments and payments for future years' projects under the same program until the reports are properly filed.

All grant funds must be spent or obligated, and all activities must be completed prior to the project ending date. Each award recipient must submit a completion report showing the obligations and the expenditures for the project no later than twenty (20) calendar days after the project ending date.

If a completion report was filed through the project ending date and had no outstanding obligations, the completion report will be the award recipient's final expenditure report. Failure to submit this completion/final expenditure report will result in current and subsequent years' project funding being withheld until the report is received. In cases where final expenditures are less than total disbursements, the overpayment must be returned to the State Board of Education within forty-five (45) calendar days of the project ending date for all state grants or federal grants that do not expressly allow carryover funds. Failure to return the funds will result in a breach of the Grant Agreement. Upon any such breach, the State Board of Education may, without limitation, withhold current and subsequent years' project funding until the overpayment is returned.

If a completion report was filed with outstanding obligations, then a final expenditure report showing total project expenditures (with all prior obligations paid) must be submitted no later than ninety (90) calendar days after the project ending date. Failure to submit the final expenditure report will result in current and subsequent years' project funding being withheld until the report is received. In cases where final expenditures are less than total disbursements, the overpayment must be returned to the State Board of Education within

forty-five (45) calendar days from the date of first notice of the amount due for all state grants or federal grants that do not expressly allow carryover funds. Failure to return the funds will result in a breach of the Grant Agreement. Upon any such breach, the State Board of Education may, without limitation, withhold current and subsequent years' project funding until the overpayment is returned.

16. The award recipient will maintain records on project and fiscal activities related to each award for a period of three (3) years following the project ending date either for a state-funded or federally funded project. Such records shall include a fiscal accounting for all monies in accordance with generally accepted governmental accounting principles. If there are outstanding audit exceptions, records will be retained on file until such exceptions are closed out to the satisfaction of the State Board of Education.
17. The State Board of Education and other governmental entities with program monitoring authority shall, during the Term and for a period of three (3) years thereafter (or until no outstanding audit exceptions remain, whichever is later), have the right at any time to conduct on-site or off-site inspections of the award recipient's records and project operations for auditing and monitoring purposes. Prior to the execution of a final Grant Agreement, the State Board of Education may withdraw its award of funding to the applicant at any time, for any reason.

#### **COPYRIGHT**

19. If the default is not cured to the satisfaction of the State Board of Education, the State Board of Education shall thereafter have full right and authority to terminate the Grant Agreement, and/or seek such other remedy that may be available at law or in equity. Upon termination of the Grant Agreement, the award recipient will cease all use of grant funds, shall cancel all cancelable obligations relating to the project, and shall return all unexpended grant funds to the State Board of Education within forty-five (45) calendar days of termination.

#### **INDEMNIFICATION**

21. To the fullest extent permitted by law, the award recipient shall indemnify, defend and hold harmless the State of Illinois, the State Board of Education, and their respective members, officers, agents and employees against all claims, demands, suits, liabilities, injuries (personal or bodily), property damage, causes of action, losses, costs, expenses, damages or penalties, including, without limitation, reasonable defense costs, reasonable legal fees, and the reasonable value of time spent by the Attorney General's Office, arising or resulting from, or occasioned by or in connection with (a) any bodily injury or property damage resulting or arising from any act or omission to act (whether negligent, willful, wrongful, or otherwise) by the award recipient, its subcontractors, subgrantees, volunteers, anyone directly or indirectly employed by them, or anyone for whose acts they may be liable; (b) failure by the award recipient or its subcontractors, subgrantees, or volunteers to comply with any laws applicable to the performance of the grant; (c) any breach of the Grant Agreement, including, without limitation, any representation or warranty provided by the award recipient herein; (d) any infringement of any copyright, trademark, patent, or other intellectual property right; or (e) the alleged unconstitutionality or invalidity of the Grant Agreement. Neither the award recipient nor its employees or subcontractors shall be considered agents or employees of the State Board of Education or of the State of Illinois.

If the applicant is a government unit only, it is understood and agreed that neither the applicant nor the State Board of Education shall be liable to each other for any negligent or wrongful acts, either of commission or omission, unless such liability is imposed by law.
