In planning the project there has been, and in establishing and carrying out the project, there will be (to the extent applicable to the project), participation of persons broadly representative of the cultural and educational resources of the area to be served, including persons representative of the interests of potential beneficiaries.

8. Payment under this grant is subject to passage of a sufficient appropriation by the General Assembly for the program. Obligations of the State Board of Education will cease immediately without further obligation should the agency fail to receive sufficient funds (i.e. state, federal or other) for this program.
9. An applicant must not obligate funds prior to the start date of the project set forth in the final Grant Agreement. The project's start date cannot precede the start of the fiscal year for which the funds are appropriated.

All project activities must be completed between the project beginning date and the ending date (the "Term"). Liquidation of all obligations, including the current year's audit fee, should be completed no later than 90 calendar days after the project ending date.

10. The applicant understands that payment for approved services and expenses will be made on a cash needs basis, and that payment will be made in accordance with applicable statutes, regulations and standards after an application for payment is submitted to the State Board of Education. Vouchers for payment will be submitted to the Office of the Comptroller according to the payment schedule attached to the final Grant Agreement. The payment schedule shall be based on the projected date of expenditures. Payments will be withheld from scheduled amounts if expenditure reports show excess cash on hand.
11. An approved budget may be amended by completing the Budget Summary form to show the new amounts required and attaching an explanation for the changes. An amendment to the Grant Agreement must be entered into whenever any individual cell changes by more than \$1,000 or 20 percent, whichever is larger. An amendment to the Grant Agreement must also be entered into whenever an award recipient proposes to use funds for allowable expenditures not identified in the currently approved budget, if the scope of the project is expected to change, or if the overall grant award must be increased.
12. Obligation of funds for items or services based on amendments cannot be encumbered prior to the date of receipt at ISBE of a substantially approvable budget amendment provided the scope/intent of the approved project has not changed. If the scope/intent of a project changes based on an amendment, programmatic approval must be obtained prior to the obligation of funds based on the amendment. ISBE shall be the final determiner of whether an amendment changes the scope/intent of a project. The begin date of the project cannot precede the beginning of the fiscal year for which the funds are appropriated. Requests for budget amendments must be received by the State Board of Education no later than 30 calendar days prior to the project ending date for which the amendment is being sought.
13. Funds granted for the operation of this project must be used exclusively for the purposes stated in the approved proposal/application and must be expended in accordance with the approved budget and the award recipient's policies and procedures related to such expenditures. Funds may only be expended or obligated for activities occurring during the Term.
 - A. State funded grants: All grant funds and earned interest shall be subject to the Illinois Grant Funds Recovery Act (30 ILCS 705). Interest earned on State funded grant programs and grant funds not expended or obligated by the end of the Term, as well as interest earned after the Term has expired, must be returned to the Illinois State Board of Education within 45 days following the end of the Term.
 - B. Federally funded grants: Interest earned in excess of \$100 per year must be returned to the Illinois State Board of Education, with checks payable to the federal agency issuing the grant (e.g., U.S. Department of Education, U.S. Department of Agriculture).
14. All grant funds and earned interest shall be subject to the Illinois Grant Funds Recovery Act (30 ILCS 705). Funds granted for the operation of this project and interest earned on those funds must be used exclusively for the purposes stated in the approved proposal/application and must be expended in accordance with the approved budget and the award recipient's policies and procedures related to such expenditures. Funds may only be expended for activities occurring during the Term. Grant funds and earned interest not expended or obligated by the end of the Term, as well as interest earned after the Term has expired, must be returned to the State within 45 days following the end of the grant period.

For-Profit award recipients shall not utilize grant funds in any manner for normal operating expenses or to generate a profit. The applicant certifies that notwithstanding any other provision of the application, proposal or Grant Agreement, grant funds shall not be used and will not be used to provide religious instruction, conduct worship services, or engage in any form of proselytization.

15. Financial Reports: Quarterly expenditure reports are required of all award recipients receiving funds, unless otherwise specified in the program specific terms or the request for proposals. The expenditure through dates to be used in reporting expenditures and obligations are from the project beginning date through September 30, December 31, March 31 and June 30 of each fiscal year and the project ending date.

If you have an established IWAS account with the Illinois State Board of Education, you will be electronically notified when expenditure reports are due and you must submit expenditure reports electronically by the due date. If you are not enrolled in IWAS, expenditure report forms will be mailed to the award recipient at least thirty days before they are due to the Illinois State Board of Education. Expenditure reports are due 30 days after the expenditure through date. Failure to file the required reports within the timelines will result in a breach of the Grant Agreement. Upon any such breach, the State Board of Education may, without limitation, withhold current and subsequent years' project funding until the reports are properly filed.

All grant funds must be spent or obligated and all activities must be completed prior to the project ending date. Each award recipient must submit a completion report showing the obligations and the expenditures for the project no later than 30 calendar days after the project ending date.

If a completion report was filed through the project ending date and had no outstanding obligations, the completion report will be the award recipient's final expenditure report. Failure to submit this completion/final expenditure report will result in current and subsequent years' project funding being withheld until the report is received. In cases where final expenditures are less than total disbursements, the overpayment must be returned to the State Board of Education within 45 calendar days of the project ending date for all state grants or federal grants that do not expressly allow carryover funds. Failure to return the funds will result in a breach of the Grant Agreement. Upon any such breach, the State Board of Education may, without limitation, withhold current and subsequent years' project funding until the overpayment is returned.

If a completion report was filed with outstanding obligations, then a final expenditure report showing total project expenditures (with all prior obligations paid) must be submitted no later than 90 calendar days after the project ending date. Failure to submit the final expenditure report will result in current and subsequent years' project funding being withheld until the report is received. In cases where final expenditures are less than total disbursements, the overpayment must be returned to the State Board of Education within 45 calendar days from the date of first notice of the amount due for all state grants or federal grants that do not expressly allow carryover funds. Failure to return the funds will result in a breach of the Grant Agreement. Upon any such breach, the State Board of Education may, without limitation, withhold current and subsequent years' project funding until the overpayment is returned.

16. The award recipient will maintain records on project and fiscal activities related to each award for a period of three (3) years following the project ending date either for a state-funded or federally funded project. Such records shall include a fiscal accounting for all monies in accordance with generally accepted governmental accounting principles. If there are outstanding audit exceptions, records will be retained on file until such exceptions are closed out to the satisfaction of the State Board of Education.
17. The State Board of Education and other governmental entities with program monitoring authority shall, during the Term and for a period of three (3) years thereafter (or until no outstanding audit exceptions remain, whichever is later), have the right at any time to conduct on-site or off-site inspections of the award recipient's records and project operations for auditing and monitoring purposes. The award recipient shall, during the Term and for a period of three (3) years thereafter (or until no outstanding audit exceptions remain, whichever is later) and upon the request of the State Board of Education, provide the State Board of Education with information and documentation regarding the award recipient's progress or performance with respect to the administration and operation of the project.

NO BINDING OBLIGATION

18. The applicant acknowledges and agrees that the selection of its proposal for funding, or approval to fund an application, shall not be deemed to be a binding obligation of the State Board of Education until such time as a final Grant Agreement is entered into between the applicant and the State Board of Education. Prior to the execution of a final Grant Agreement, the State Board of Education may withdraw its award of funding to the applicant at any time, for any reason.

COPYRIGHT

19. All rights, including copyright to data, information and/or other materials developed pursuant to an award, are retained by the State Board of Education, unless otherwise agreed in writing by the State Board of Education. All such work products produced by the award recipient through work pursuant to the award shall be made available to the State Board of Education upon request.

DEFAULT AND TERMINATION

20. The award recipient will be in default of the grant award and the corresponding Grant Agreement if it breaches any representation or warranty made in the Grant Agreement, the Program Specific Terms or in these Certifications and Assurances, and Standard Terms of the Grant, or fails to observe or perform any covenant, agreement, obligation, duty or provision set forth in the Grant Agreement, the Program Specific Terms or in these Certifications and Assurances, and Standard Terms of the Grant. Upon default by the award recipient and written notification by the State Board of Education, the award recipient will have ten days in which to cure the default

to the satisfaction of the State Board of Education. If the default is not cured to the satisfaction of the State Board of Education, the State Board of Education shall thereafter have full right and authority to terminate the Grant Agreement, and/or seek such other remedy that may be available at law or in equity. Upon termination of the Grant Agreement, the award recipient will cease all use of grant funds, shall cancel all cancelable obligations relating to the project, and shall return all unexpended grant funds to the State Board of Education within 45 days of termination.

INDEMNIFICATION

21. To the fullest extent permitted by law, the award recipient shall indemnify, defend and hold harmless the State of Illinois, the State Board of Education, and their respective members, officers, agents and employees against all claims, demands, suits, liabilities, injuries (personal or bodily), property damage, causes of action, losses, costs, expenses, damages or penalties, including, without limitation, reasonable defense costs, reasonable legal fees, and the reasonable value of time spent by the Attorney General's Office, arising or resulting from, or occasioned by or in connection with (i) any bodily injury or property damage resulting or arising from any act or omission to act (whether negligent, willful, wrongful or otherwise) by the award recipient, its subcontractors, subgrantees, volunteers, anyone directly or indirectly employed by them or anyone for whose acts they may be liable; (ii) failure by the award recipient or its subcontractors, subgrantees, or volunteers to comply with any laws applicable to the performance of the grant; (iii) any breach of the Grant Agreement, including, without limitation, any representation or warranty provided by the award recipient herein; (iv) any infringement of any copyright, trademark, patent or other intellectual property right; or (v) the alleged unconstitutionality or invalidity of the Grant Agreement. Neither the award recipient nor its employees or subcontractors shall be considered agents or employees of the State Board of Education or of the State of Illinois.

If the applicant is a government unit only, it is understood and agreed that neither the applicant nor the State Board of Education shall be liable to each other for any negligent or wrongful acts, either of commission or omission, unless such liability is imposed by law.

GENERAL CERTIFICATION AND ASSURANCES

22. The applicant will obey all applicable state and federal laws, regulations, and executive orders, including without limitation: those regarding the confidentiality of student records, such as the Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. 1232g) and the Illinois School Student Records Act (ISSRA) (105 ILCS 10/1 et seq.); those prohibiting discrimination on the basis of race, color, national origin, sex, age, or handicap, such as Title IX of the Amendments of 1972 (20 U.S.C. 1681 et seq.), the Illinois Human Rights Act (775 ILCS 5/1-101 et seq.), the Individuals with Disabilities Education Act (20 U.S.C. 1400 et seq.), the Age Discrimination in Employment Act of 1967 (29 U.S.C. 621 et seq.), Titles VI and VII of the Civil Rights Act of 1964 (42 U.S.C. 2000d et seq., 2000e et seq.), the Public Works Employment Discrimination Act (775 ILCS 10/0.01 et seq.), and the Americans with Disabilities Act of 1990 (42 U.S.C. 12101 et seq.); and the Illinois School Code (105 ILCS 5/1-1 et seq.). 24. If the applicant is an individual, the applicant is not in default on an educational loan as provided in 5 ILCS 385/3.
25. The applicant is not prohibited from receiving a grant award from the State of Illinois because it pays dues or fees on behalf of its employees or agents or subsidizes or otherwise reimburses them for payment of their dues or fees to any club which unlawfully discriminates (775 ILCS 25/1).
26. The applicant certifies it has informed the State Superintendent of Education in writing if any employee of the applicant was formerly employed by the State Board of Education and has received an early retirement incentive under 40 ILCS 5/14-108.3 or 40 ILCS 5/16-133.3 (Illinois Pension Code). The applicant acknowledges and agrees that if such early retirement incentive was received, the Grant Agreement is not valid unless the official executing the agreement has made the appropriate filing with the Auditor General prior to execution.
27. The applicant shall notify the State Superintendent of Education if the applicant solicits or intends to solicit for employment any of the State Board of Education's employees during any part of the application process or during the Term of the Grant Agreement.

DRUG-FREE WORKPLACE CERTIFICATION

36. This certification is required by the Drug Free Workplace Act (30 ILCS 580/1). (b) Establishing a drug-free awareness program to inform employees about:

- (1) the dangers of drug abuse in the workplace;
- (2) the grantee's or contractor's policy of maintaining a drug-free workplace;
- (3) any available drug counseling, rehabilitation, and employee assistance programs; and
