HOUSE JOINT RESOLUTION 24

WHEREAS, In the 2005-2006 school year, over 322,000 children with disabilities were served in special education programs across Illinois; and

WHEREAS, The number of children in special education programs has risen 5.4% in the last 5 years, and special education accounts for approximately 23% of all State education spending; and

WHEREAS, The federal government has established a goal of reimbursing 40% of the costs of special education incurred by school districts, but it currently provides only 18% of costs nationally and only 14% in Illinois; and

WHEREAS, Illinois has failed for decades to update reimbursement rates for special education costs, with the last reimbursement rate set in 1973 for special education orphanage tuition, in 1985 for special education personnel, in 1978 for special education private tuition, in 1976 for special education summer school, and in 1965 for special education transportation; and

WHEREAS, Illinois has continued to prorate special education mandated categoricals at less than 100%, with the
WHEREAS, Even if Illinois fully funded mandated

funding, as the reimbursement rates are severely outdated; and

WHEREAS, Illinois school districts currently spend an
estimated $1 billion from their own general education funds to
meet the unreimbursed costs of special education services that
are mandated by federal and State laws and administrative
rules; and

WHEREAS, Special education continues to represent a
growing financial burden on school districts as the need for
services increases while State and federal funding fails to

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE
NINETY-FIFTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE
SENATE CONCURRING HEREIN, that a task force shall be created to

districts; and be it further

RESOLVED, That the task force shall consist of the State
Superintendent of Education (or his or her designee) plus 16 members appointed as follows: the House Majority Leader and the House Minority Leader shall each appoint one representative, the Senate President and the Senate Minority Leader shall each appoint one senator, and these 4 leaders shall each appoint 3 public members representing the interests of special education administrators and services, school districts, non-public special education facilities, and disability advocates; and be it further

RESOLVED, That the task force shall be facilitated by the State Board of Education; and be it further

RESOLVED, That the task force shall report its findings and recommendations to the Governor and the General Assembly by August 1, 2008; and be it further

WHEREAS, During the 95th General Assembly, House Joint Resolution 24 created a task force to study current special education funding needs and to make recommendations as to how the State can increase special education funding and ease the financial burden on school districts; and

And

The Sangamon County Regional Office of Education (Contractor)

This Contractual Agreement (this “Agreement”) is entered into by and between the Illinois State Board of Education (the “ISBE”) and the Sangamon County Regional Office of Education (“Contractor”) (collectively, the “Parties”, and each, a “Party”) under the authority of the Intergovernmental Cooperation Act, 5 ILCS 220/1 et seq. and the intergovernmental cooperation provisions of the Constitution of the State of Illinois. In view of the mutual covenants herein contained, the Parties agree as follows:

1. Performance of Services. The Contractor shall perform the services described in Exhibit A attached hereto and such other services as ISBE may request from time to time (collectively, the “Services”). The Contractor shall perform the Services (i) with a high degree of skill, care and diligence, (ii) in accordance with the highest professional standards. The Contractor shall provide all personnel, materials and equipment necessary to undertake the Services and to fulfill the purposes of this Agreement. For the due, proper and complete performance of the Services performed in accordance with this Agreement, ISBE shall pay the Contractor a maximum amount (inclusive of any out-of-pocket costs and travel expense incurred by Contractor in connection with the Services) not to exceed $89,904.
   b) Billings. During the term, the Contractor shall submit billings in accordance with Exhibit B. Billings shall be submitted to ISBE’s contact person at the address listed in Paragraph 21 (a). The Contractor must submit any and all claims for the period from the effective date through and including June 30, 2009 by July 15, 2009 and any and all claims for the period from July 1, 2009 through the end of the Term by August 31, 2009, and any sums owing to Contractor for Services performed or costs incurred not so claimed by Contractor shall not thereafter be claimable. If ISBE, in good faith, deems any
deliverable or any Services required of the Contractor to not meet the requirements of this Agreement, it may withhold payment billed by the Contractor until such insufficiency is corrected to ISBE’s satisfaction.

c) Total Compensation. The Contractor agrees that the amounts set forth in this Paragraph 3 represent the total amount of compensation to which the Contractor is entitled for the Services and any of the Contractor’s other undertakings in this Agreement.

d) Final Payment. Pursuant to 30 ILCS 500/35-20(c)(5), a post-performance contract review will be undertaken by the ISBE Procurement Officer, or designee, which shall include, but not be limited to, a review of billings and Contractor’s performance in accordance with the Agreement.

If during the term of this Agreement, the Contractor wants to retain subcontractors to be paid with funds provided by this Agreement not listed above, the Contractor will obtain ISBE's prior written approval and the Parties will file a contract amendment with the Comptroller stating the names and addresses and an anticipated amount of payment of each subcontractor. The Contractor shall retain responsibility for the performance of the Services by its subcontractors. Any request to retain subcontractors must contain:

- name(s) and address(es) of subcontractor(s);
- need and purpose for subcontracting;
- measurable and time-specific services to be provided;
- associated costs, i.e., amounts to be paid under subcontracts;
- Federal Employer Tax Identification Number for each subcontractor.

b. Subcontractor Requirements. By appropriate written agreement, the Contractor shall require each subcontractor, to the extent of the Services to be performed by such subcontractor, to assume toward the Contractor all of the obligations and responsibilities which the Contractor, by this Agreement, assumes toward ISBE. The Contractor shall be responsible to ISBE for acts and omissions of the Contractor, its subcontractors, their respective agents and employees, and any other persons performing portions of the Services, or claiming by, through, or under the Contractor, and shall be responsible to ISBE for any damages, losses, costs, or expenses resulting from such acts or omissions.
Each subcontract agreement for a portion of the Services is hereby assigned by the Contractor to ISBE provided that the assignment is effective only after termination of this Agreement by ISBE by reason of a Contractor Default, and only for those subcontract agreements which ISBE accepts by notifying the subcontractor in writing. The Contractor shall execute and deliver to ISBE any instruments reasonably required by ISBE to confirm and evidence any of the preceding contingent assignments. Each subcontract agreement for a portion of the Services shall contain a provision specifically identifying ISBE as a third party beneficiary of such subcontract.

5. Reporting. The Contractor will provide a listing of the Services completed as an accompaniment to the invoice sent to ISBE for payment, together with such other supporting documentation as ISBE may reasonably request.

   a) Definitions.
   "Custom Work Product" means the resulting software (including all functional and technical designs, programs, modules, code, algorithms, flowcharts, data diagrams, documentation and the like) and other data, materials and products created by the Contractor on behalf of ISBE and in furtherance of the Services. "Embedded Software" means any pre-existing software owned by the Contractor or by any third party and incorporated or embedded into the Custom Work Product. "Generic Components" means the software/programming tools developed generally by the Contractor to support the Custom Work Product and which (a) can be used in Web sites and systems other than the Custom Work Product developed hereunder, and (b) can be used completely free of the Custom Work Product Content and (c) do not embody or convey the look and feel of the Custom Work Product developed hereunder.
   b) Ownership of Custom Work Product. ISBE shall own all rights, title and interest to any Custom Work Product. The Contractor expressly acknowledges and agrees that all such Custom Work Product constitutes "work made for hire" under the Federal copyright laws (17 U.S.C. Sec. 101) owned exclusively by ISBE, and, alternatively, hereby irrevocably assigns all ownership or other rights it might have in Custom Work Product to ISBE. The Contractor shall sign such documentation as may be reasonably requested by ISBE to insulate that title to the Custom Work Product is vested in the ISBE. If by operation of law any of the Custom Work Product, including all related intellectual property rights, is not owned in its entirety by ISBE automatically upon creation thereof, the Contractor agrees to assign, and hereby assigns to ISBE and its designees the ownership of such Custom Work Product, including all related intellectual property rights.
   c) License to Embedded Software. Except as otherwise specifically set forth in the Proposal, (i) the Agreement conveys no ownership rights to ISBE with respect to Embedded Software, and (ii) ISBE is granted a paid-up, world-wide, perpetual, nonexclusive license to use the Embedded Software strictly as an integral part of, and in conjunction with, ISBE's use of the Custom Work Product and for no other purpose. Any use of embedded software must have the prior written approval of ISBE.
   d) Ownership of Generic Components. ISBE shall own all rights, title and interest to any
Generic Components to the Custom Work Product. The Contractor expressly acknowledges and agrees that all such Generic Components constitutes "work made for hire" under the Federal copyright laws (17 U.S.C. Sec. 101) owned exclusively by ISBE, and, alternatively, hereby irrevocably assigns all ownership or other rights it might have in the Generic Components to ISBE. The Contractor shall sign such documentation as may be reasonably requested by ISBE to insure that title to the Generic Components is vested in the ISBE. If by operation of law any of the Generic Components, including all related intellectual property rights, is not owned in its entirety by ISBE automatically upon creation thereof, the Contractor agrees to assign, and hereby assigns to ISBE and its designees the ownership of such Generic Components, including all related intellectual property rights.

7. Confidential Information.
   a) Acknowledgement of Confidentiality. Each Party hereby acknowledges that it may be exposed to confidential and proprietary information of the other Party including, without limitation, other technical information (including functional and technical specifications, designs, drawings, analysis, research, processes, computer programs, methods, ideas, "know how" and the like), business information (sales and marketing research, materials, plans, accounting and financial information, personnel records and the like) and other information designated as confidential expressly or by the circumstances in which it is provided ("Confidential Information"). Confidential Information does not include (i) information already known or independently developed by the recipient, (ii) information in the public domain through no wrongful act of the recipient, or (iii) information received by the recipient from a third party who was free to disclose it.
   b) Covenant Not to Disclose. With respect to the other Party's Confidential Information, the recipient hereby agrees that during the term of this Agreement and at all times thereafter it shall not use, commercialize or disclose such Confidential Information to any third party without the other Party's prior written approval; provided, that all such recipients shall have first executed a confidentiality agreement in a form acceptable to the owner of such information. Neither Party nor any recipient may alter or remove from any software or associated documentation owned or provided by the other Party any proprietary, copyright, trademark or trade secret legend. Each Party shall use at least the same degree of care in safeguarding the other Party's Confidential Information as it uses in safeguarding its own confidential information.
   c) Student Records. The Contractor will comply with the relevant requirements of the Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. 1232g) and the Illinois School Student Records Act (ISSRA) (105 ILCS 10/1 et seq.), regarding the confidentiality of student “education records” as defined in FERPA and “school student records” as defined in ISSRA. Any use of information contained in student education records to be released must be approved by ISBE. To protect the confidentiality of student education records, the Contractor will limit access to student education records to those employees who reasonably need access to them in order to perform their responsibilities under this Agreement.

8. Correction of Deficient Services. Prior to the expiration of the Term, the Contractor shall, at its earliest opportunity and its sole cost and expense, correct any
Services which are defective or deficient or otherwise contain or reflect errors or omissions.

9. **Default and Termination.**
   a) **Termination for Convenience.** ISBE may terminate this Agreement upon thirty (30) days written notice to the Contractor. Such notice shall be sent to the address set forth for notice by over-night delivery or certified mail, return receipt requested. In the event of such notice of termination from ISBE to the Contractor, the Contractor shall have the right to perform all Services scheduled to be performed during the period covered by such notice and to be fully and fairly compensated therefor. ISBE shall have the right to receive so much of the work product as has been created by the Contractor through the effective date of the notice of termination, and may, at its election, procure such work as may be necessary to complete the Services from other contractors.
   
   b) **Contractor Default.** The occurrence of any one or more of the following matters constitutes a default by the Contractor under this Agreement (a "Contractor Default"):  
      1. The Contractor becomes insolvent or generally fails to pay, or admits in writing its inability or unwillingness to pay, its debts as they become due;
      2. Contractor makes a general assignment for the benefits of its creditors;
      3. The Contractor shall commence or consent to any case, proceeding or other action (a) seeking reorganization, arrangement, adjustment, liquidation, dissolution or composition of the Contractor or of the Contractor’s debts under any law relating to bankruptcy, insolvency, reorganization or relief of debts, or (b) seeking appointment of a receiver, trustee or similar official for the Contractor or for all or any part of the Contractor’s property;
      4. Any case, proceeding or other action against the Contractor shall be commenced (a) seeking to have an order for relief entered against the Contractor as debtor, (b) seeking reorganization, arrangement, adjustment, liquidation, dissolution or composition of the Contractor or the Contractor’s debts under any law relating to bankruptcy, insolvency, reorganization or relief of debtors, or (c) seeking appointment of a receiver, trustee, or similar official for the Contractor or for all or any part of the Contractor’s property;
      5. The breach of any representation, certification or warranty made by the Contractor herein or Contractor’s failure to comply with any other provision of this Agreement; or
      6. The Contractor attempts to assign, convey or transfer this Agreement or any interest herein without ISBE’s prior written consent.

Upon the occurrence of a Contractor Default ISBE may, without prejudice to any other right or remedy ISBE may have under this Agreement or at law and/or in equity, terminate the Agreement and/or the Contractor’s right to perform Services under this Agreement. In either such case, ISBE may finish the Services by whatever method ISBE may deem expedient. Any damages incurred by ISBE as a result of any such Contractor Default shall be borne by the Contractor at its sole cost and expense, shall not be payable as part of the contract amount, and shall be reimbursed to ISBE by the Contractor upon demand.

10. **Indemnification.** To the fullest extent permitted by law, the Contractor agrees to indemnify, defend and hold harmless ISBE, the State of Illinois, and their respective
agents, officers and employees from and against any and all claims, demands, suits, liabilities, injuries (personal or bodily), property damage, causes of action, losses, costs, expenses, damages or penalties, including, without limitation, reasonable defense costs, reasonable legal fees, and the reasonable value of time spent by the Attorney General's Office, arising or resulting from, or occasioned by or in connection with (i) any bodily injury or property damage resulting or arising from any act or omission to act (whether negligent, willful, wrongful or otherwise) by the Contractor, its subcontractors, anyone directly or indirectly employed by them or anyone for whose acts they may be liable; (ii) failure by the Contractor or its subcontractors to comply with any Laws applicable to the performance of the Services; (iii) any breach of this Agreement, including, without limitation, any representation or warranty provided by the Contractor herein; or (iv) any infringement of any copyright, trademark, patent or other intellectual property right.

11. **Key Persons.** The Parties agree that the availability and performance of Services by Dr. Thomas Parrish is key to satisfactory performance of this Agreement by the Contractor. The Contractor shall not substitute for key personnel assigned to the performance of this Agreement without prior written approval from the ISBE project officer except as follows:

a) ISBE may request at any time the removal of (and the Contractor will remove) any individual performing Services if ISBE: (1) reasonably believes that individual is not qualified to perform the Services or tasks required of that individual; and (2) previously provided the Contractor with prior written notice of the problem and a reasonable opportunity to remedy the situation.

b) Should any of the said key individuals cease employment with the Contractor during the Term or become unavailable to perform the work assigned to them, the Contractor shall immediately notify ISBE in writing of such occurrence. The parties shall promptly confer and determine and provide for the basis upon which the Contractor shall assure satisfactory performance of the required work. They shall verify their understandings in writing and retain a record of such verification as part of the record of the Contractor's performance of this Agreement.

12. **Non-availability of Funding.** Obligations of ISBE will cease immediately without penalty of further payment being required if in any fiscal year sufficient funds for this Agreement are not appropriated by the Illinois General Assembly or a federal funding source, or such funds are otherwise not made available to ISBE for payments in accordance with this Agreement.

13. **Record-keeping.** The Contractor shall maintain books and records relating to performance of the Agreement as necessary to support amounts charged to the State under the Agreement. Books and records, including information stored in databases or other computer systems, shall be maintained by the Contractor for a period of three (3) years from the later of the date of final payment under the Agreement or completion of the Services. The 3-year period shall be extended for the duration of any audit in progress during the term. Books and records required to be maintained under this section shall be available for review or audit by representatives of ISBE, the Auditor General, and other governmental entities with monitoring authority, upon reasonable notice and during
normal business hours. The Contractor shall cooperate fully with any such audit. Failure to maintain books and records required by this Paragraph shall establish a presumption in favor of the State for the recovery of any funds paid by the State under the Agreement for which adequate books and records are not available to support the purported disbursement. The Contractor shall not impose a charge for audit or examination of the Contractor’s books and records.

14. Compliance with Laws. The Contractor shall comply, with all existing and future laws, regulations, rules, ordinances, orders and decrees (collectively, “Laws”) which are applicable to the Services. The Contractor shall secure and pay for all registrations, licenses, certifications or approvals which relate to the provision of the Services. If the Contractor should discover any discrepancy or inconsistency between the requirements of any Laws and the scope or nature of the Services, the Contractor shall immediately notify ISBE in writing of such discrepancy or inconsistency and shall conform its Services to any subsequent orders or instructions of ISBE.

15. Cumulative Rights. Except as otherwise provided in this Agreement, rights and remedies available to ISBE and/or the Contractor as set forth in this Agreement shall be cumulative with and in addition to, and not in limitation of, any other rights or remedies available to such Parties at law and/or in equity, and any specific right or remedy conferred upon or reserved to ISBE and/or the Contractor in any provision of this Agreement shall not preclude the concurrent or consecutive exercise of a right or remedy provided for in any other provision hereof.

16. No Waiver. No course of dealing or failure of ISBE and/or the Contractor to enforce strictly any term, right or condition of this Agreement shall be construed as a waiver of such term, right or condition. No express waiver of any term, right or condition of this Agreement shall operate as a waiver of any other term, right or condition.

17. Assignment. The Contractor may not assign this Agreement in whole or in part without the prior written approval of ISBE.

18. Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Illinois. Any claim against the State or ISBE arising out of this Agreement must be filed exclusively with the Illinois Court of Claims (705 ILCS 505/1). The State shall not enter into binding arbitration to resolve any Contract dispute. The State of Illinois does not waive sovereign immunity by entering into this Contract. In compliance with the Illinois and federal Constitutions, the Illinois Human Rights Act, the US Civil Rights Act, and Section 504 of the federal Rehabilitation Act and other applicable laws and rules the State does not unlawfully discriminate in employment, contracts, or any other activity.

19. Website Incorporation. ISBE expressly states that it will not be bound by any content on the Contractor’s website, even if the Contractor’s documentation specifically referenced that content and attempts to incorporate it into any other communication, unless ISBE has actual knowledge of such content and has expressly agreed to be bound
by it in a written agreement that has been manually signed by an authorized representative of ISBE.

20. Stevens Amendment. The Contractor acknowledges it is subject to the terms and provisions of Section 511 of P.L. 101-166 (the “Stevens Amendment”) due to the use of federal funds for the Services. Contractor will ensure that all announcements and other materials publicizing the Services include statements as to the amount and proportion of federal funding involved.
